Would you like to foster a cat?

Adopt a Foster Parents

Our position is like a coupler between the lives of cats.

We have been saved by a family of stray cats we sheltered when we were in financial difficulties at Covid-19.

This time, as a way to return the favor, we would like to save as many cats as possible and create a society where humans and cats can coexist in harmony.

What we need to do to achieve this is to find foster parents who will properly raise as many cats as possible.

We do not want to increase the number of unhappy cats.

Cats cannot choose their owners.

Diorama restaurant helps match lives with foster parents so that people and cats can be happy.

Please visit Diorama restrant and talk with our shelter cats.

You may meet a cat that is a good match for you.

Best regards.
